

# Summit Salon ACADEMY PDX

This is a Special Invitation to participate in the Summit Salon Academy PDX Partner Spotlight!

We would be honored to have you share your professional experience and talents with our future service providers, while at the same time showcasing your salon!

By investing time with our student artists, you will be able to coach them on techniques, offer advice and make an impact on their education. This is a wonderful opportunity for you to engage with the students in a real hands-on way.

The link below allows you to book a shift that is most convenient with your schedule. We know your time is valuable. We appreciate your partnership in helping play a role in our student's success and giving them an opportunity to get to know you!

We would like to have a head shot or photo and a quick bio so that we can do a virtual introduction on our student Facebook page. This will give our artists a chance to know who this new face in the Academy is and what you have to offer.

Here are a couple of example question for your bio:

1. What salon are you with and what is your role?
2. How long have you been in the industry?
3. What is your favorite part of "job"? (EX- Could be a technique or what you gain emotionally)
4. Why did you get into this industry?
5. The highlight of your career.

Please email your headshot and bio to [tracy@ssaportland.com](mailto:tracy@ssaportland.com)

We look forward to working with you and anticipate a beneficial partnership!
